

第23屆香港青少年科技創新大賽

23rd Hong Kong Youth Science & Technology Innovation Competition

Online Application Guideline

Application deadline

11:59pm on 31 January 2021

Interested parties can apply online at HKYSTIC website after reading the Application guideline thoroughly.

HKYSTIC website : <http://stic.newgen.org.hk>

Points to Note :

- Applicants will be known as qualified participants **only if they have got the Project Number** after **completing their application online**.
- Applicants can apply for more than one category or submit more than one project, but **separate application MUST be made for each project. Moreover, applicants cannot apply for more than one category with the same project.**
- Applicants will be notified to attend various activities through email. **Please fill in the email address clearly and check it regularly.**
- All information provided should be clear and correct.
- If there are **over 20 applicants** from a school or an organisation, group application will be adopted. **[Group application form]** can be found at DOWNLOAD in the official website. Please send the completed group application form to stic@newgen.org.hk on or before **31 January 2021**.

***No upper limit of applicants for group application**

【Online Application Guideline of the 23rd HKYSTIC】

1. To begin with, enter the HKYSTIC website and start the application process by clicking the **ONLINE APPLICATION** button and select your division.

The image shows two screenshots from the HKYSTIC website. The left screenshot is the homepage, featuring the logo of the Hong Kong New Generation Cultural Association and the title '香港青少年科技創新大賽 Hong Kong Youth Science & Technology Innovation Competition'. A green box highlights the 'Online Application' button in the navigation menu. Below the navigation is a list of application rules. The right screenshot is a partial view of the application form, showing the 'Divisions' dropdown menu with a green box around it, listing options like 'Kinder Division', 'Primary Division', and 'Secondary Junior Division'. Below this, the form fields for 'Part 1 Information of Applicant' and 'Part 2 Information of Supervisor' are visible.

2. Select the category.

This screenshot shows the application form with the 'Divisions' dropdown set to 'Secondary Junior Division'. A green box highlights the category selection area, which includes radio buttons for 'Science Fiction Drawing', 'Mathematics, Physics and Engineering', 'Chemistry & Materials', 'Biology & Health', 'Energy & Environmental Science', 'Computer Science & Information Technology', and 'Student Organized Science & Technology Activity'. Below the category selection, the form fields for 'Part 1 Information of Applicant' and 'Part 2 Information of Supervisor' are visible, including fields for name, school, grade, gender, date of birth, and contact information.

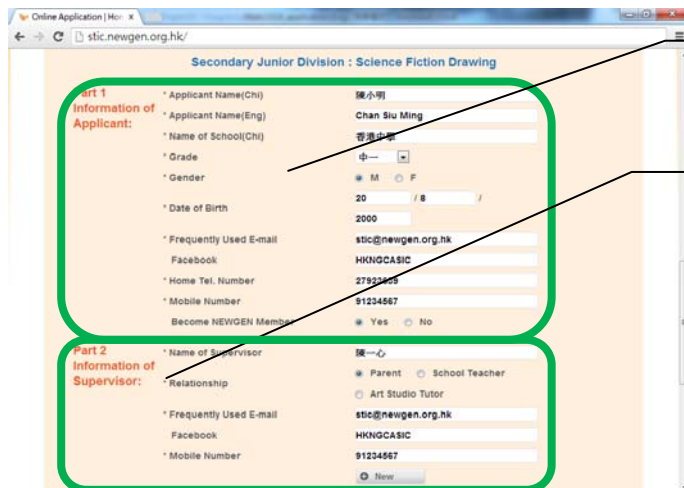

【Online Application Guideline of the 23rd HKYSTIC】

3. Enter the details of participant(s) and his/her instructor(s) carefully.

(Only **ONE** participant/ instructor's information is required in the category of **Science Fiction Drawing, Outstanding Science and Technology Teacher/ School**)

For the category of **Research and Invention**, up to **THREE** participants and instructors are allowed in each group.

* Please fill in the blanks one by one. If you want to enter more than one participants' information, please make sure you have entered all the required information on the form before clicking the **+NEW** button. **Otherwise, this application will be invalid.**

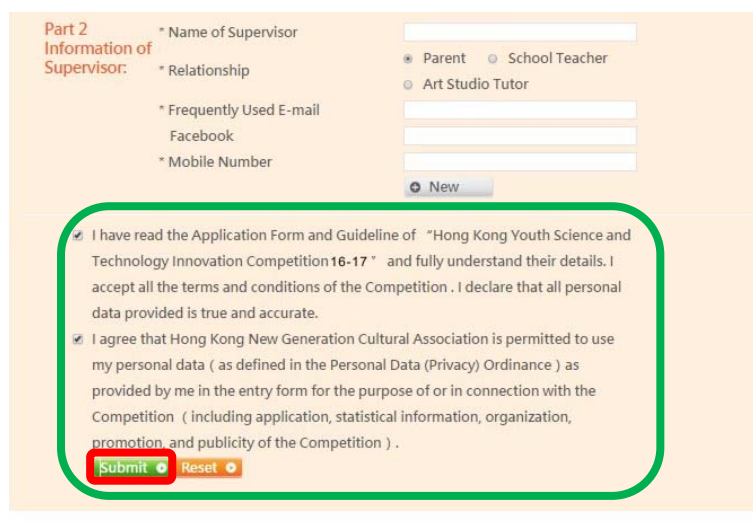

****Name of School MUST be in full term(Chinese).**

Please make sure the instructors' information is correct. The instructor would become the contact person in case the organizer could not reach the participants.

****If you cannot find your school name when typing, please send the name of School (Chinese) and your division (e.g. 新一代中學 Junior .Mathematics, Physics and Engineering) to stic@newgen.org.hk.**

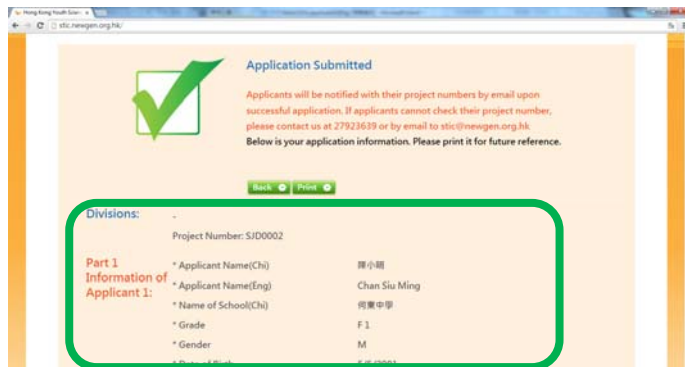

4. Please complete the application in full and confirm the rules and regulations by clicking the **SUBMIT** button.

5. Upon the successful completion and submission of an online application, you will be directed to the Organizer: Hong Kong New Generation Cultural Association

【Online Application Guideline of the 23rd HKYSTIC】

page of **Successful Application**. Please **re-confirm** the information shown in this page.

6. In the meantime, a confirmation email of application will be sent to the applicants and instructors' mailbox, which clearly shows the **applicants' names, division, category, project number and project submission period**. Please read it carefully.
